A little bit of history of the Glenwood Restaurants—The Café Glenwood was started in 1976 on Franklin Blvd in Glenwood (thus, the name) by a couple named Rick and Karen Lareau. Papers were signed by me purchasing the business from them on Friday the 13th of October, 1978. We moved to 2588 Willamette in June of 1981 and opened the campus location at 1340 Alder two years later in April of 1983. It is my desire that the Glenwood be a uniquely Eugene restaurant where everyone who comes through our doors feels truly welcome, enjoys a creatively delicious and healthful meal at a moderate price, and leaves satisfied. It is also my desire that the Glenwood be a blessing to Eugene and so we strive to be a great place to work, a consistent contributor to local causes, and conscious of our impact environmentally. I am by faith a Christian and so I leave you with a final blessing; one of my favorite verses from the Bible; Micah 6:8 "He has showed you, o man, what is good and what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God." Thanks for eating at the Glenwood, welcome! -Jacqui Lester, President, Glenwood Restaurants, Inc. jacqui@glenwoodrestaurants.com, write anytime.
